

Welcome to Olive's

FAMILY DESCRIPTION

I would like to share many things with my Tripster such as gardening, Day Trips to the Mountains, Biking, Cooking/BBQs, bowling, Friends & Family get-togethers, working on chores together to learn from each other !

I have been involved in a hosting program for Chinese students who are between 16 and 19 since 3 years now. I have started hosting students to feel less lonely at home and also to help people who want to improve their English.

A LITTLE MESSAGE FROM THE CHATTERS

The area of Calgary where I live in is a serene, peaceful & quite place! Close to the mountain with great scenery, the activities we involve ourselves in & great neighborhood that even owns a Skating Rink!!

THE SPOTTER'S OPINION

Olive is a really nice person! She lives 30 minutes from the city centre (there is a bus stop really close) and 20 minutes from the mountains. This location is ideal for her because she enjoys hiking especially with Tripsters. She also works from 8:00 am to 05:00 pm. Even if she comes back home for lunch I would advise this place if the Tripster can schedule her/his own activities during the day.
