

Welcome to Emilie & Philippe's

FAMILY DESCRIPTION

We both work for the Canadian Government, we have two little boys.

We live in a large house, with very easy access via public transportation. We love travelling, learning about other cultures, and showing off the beautiful Capital of Canada.

We cook international food of all kinds, have family meals, love going to festivals and events.... we are always on the go!

A LITTLE MESSAGE FROM THE CHATTERS

We are a welcoming and happy family who enjoy good fun and good food!

THE SPOTTER'S OPINION

Emilie et Philippe have travelled a lot around the world and speak 3 languages. They know perfectly how it feels to be far from home.

They seem to be very excited to host Tripster!
