

Welcome to Ed & Rose's

FAMILY DESCRIPTION

Normal days after work and school, we watch TV then during weekends we normally go to church, mall and grocery shopping.

During summer, we spend our time at the park and normally go to camping or outside Winnipeg to relax and explore...!

A LITTLE MESSAGE FROM THE CHATTERS

We take care of the Tripster to the best of our ability and we support the needs of the Tripster physically, mentally and emotionally.

THE SPOTTER'S OPINION

Rose & Ed have a new big house in a quiet place.

I would advise you to visit them on June because at this period they are in holidays and they love exploring their region!
