

Welcome to Paula & Ashley's

FAMILY DESCRIPTION

We enjoy fishing, go camping, barbecues, golf, biking, going to the restaurant, concerts, cooking in family... We also love watching films and meeting new persons!

We often go to the Forks which is Winnipeg's heart. It's the perfect place to meet people, eat good food, shopping...

I live with my daughter Ashley in Winnipeg but we like to spend time in our house near a lake. It's great and wild there, we can go swimming and do many things during the summer!

A LITTLE MESSAGE FROM THE CHATTERS

We love outdoor activities! With us, you will learn English and meet new friends!

THE SPOTTER'S OPINION
