## A LITTLE MESSAGE FROM THE CHATTERS

First of all, we love our good French cuisine! <3  
We also like to go walking and hiking, and we like flea markets and manual activities. We also love discovering new activities....

## FAMILY DESCRIPTION

We are sociable and very open-minded. We like to welcome people and make them discover our environment, our passions ...

## THE SPOTTER'S OPINION

The Chatters are a welcoming family wanting to discover their passions and their daily lives. They are ready and excited to host a Tripter!
