FAMILY DESCRIPTION

My name is Farida and I live alone but sometimes my son comes and visits me. When we have guests here, they do not want to leave, as much for the simplicity of the reception as for the atmosphere.

THE SPOTTER'S OPINION

Farida is a very welcoming person with whom I had a lot of fun sharing. She is eager to communicate, is warm, open.

A LITTLE MESSAGE FROM THE CHATTERS

Our family is very well surrounded, always with music, getaway, weekend or cruise.

We love to party, to have people coming at the house to meet us and to share good moments with them.
