

# Welcome to Sabrina's

## FAMILY DESCRIPTION

We are people who are used to receiving, and to meet new people.

Our professions are oriented towards the human (teaching / management) and we like to make contact with new people, to take care of them.

## THE SPOTTER'S OPINION

Nice house, welcoming family. The Tripster will have to be autonomous during the day. However, public transport is easily accessible.

## A LITTLE MESSAGE FROM THE CHATTERS

Sabrina is passionate about cats and travels :” I like sports activities and cinema. If you come to us, you can enjoy the South of France, the pool.

We can make you discover this beautiful region near the Mediterranean.”

Renaud is a "biker", passionate about motorcycle and cinema.
