 Interests: reading, traveling, cooking, television and gardening...

A LITTLE MESSAGE FROM THE CHATTERS

Our family has already received a lot of friends from all over the world and without necessarily knowing them. That is why we would be pleased to host a Tripster at home.

THE SPOTTER'S OPINION

The Chatters have prepared a complete and family welcome with for example a program of cultural visits, short stays possible with friends...

They are ready to host a Tripster!
