

# Welcome to Corinne's

## FAMILY DESCRIPTION

Hi!

I live with my son in my apartment in Paris.

We are a family who loves to receive, who wants to discover new cultures and exchange on everything.

## A LITTLE MESSAGE FROM THE CHATTERS

"I am still in my fifties, and mother of a teenager, Vassili.

I would be pleased to host a Tripster at home."

## THE SPOTTER'S OPINION

The Tripster will have a room alone, quite large, very nice, with a desk and a wardrobe, on court.

The apartment is charming, bright, moldings, parquet floors, fireplace.

The Chatters want to show the Tripster the Parisian culture and the beauty of the French capital.
