

# Welcome to Annette's

## FAMILY DESCRIPTION

We have been host family previously and we really appreciated the experience and would be happy to host a Tripster at home. We are a friendly family and we will make you feel very welcome.

## A LITTLE MESSAGE FROM THE CHATTERS

I live in the countryside of Northern Ireland with my 3 daughters who are 17, 16 and 10 years old.

There are different activities we enjoy doing together such as going to the swimming-pool, walking, listening to music, watching movies and shopping.

There are all some of our hobbies and we would like to share these moments with our Tripster and will take him/her on day trips.

## THE SPOTTER'S OPINION

This friendly family lives in a peaceful place with a few neighbors around. A car will be needed to go anywhere with the Tripster because the closest stop is 6 miles far from the host family's home. Concerning their daily routine they usually wake up at 7am and go to bed at 10-11pm. During week-ends the girls like to wake up later around 10am. Annette works 2 days per week which is really convenient to take care of a Tripster. She can work from 7.30am to 10pm or if it's a nightshift she won't be at home from 8pm until 8am. The girls enjoy going to the swimming pool which is 15 minutes far from their home. Annette has no preferences about the period she wants to host a guest but she prefers to have a Tripster 2 weeks maximum.
