

Welcome to Debbie & Malcolm's

A LITTLE MESSAGE FROM THE CHATTERS

We are a friendly, easy-going family who really enjoy sharing our home with others.

FAMILY DESCRIPTION

Debbie & Malcolm have 3 daughters who are not at home anymore. Since they left they have been hosting students for 8 years. Debbie enjoys doing different activities such as gardening, swimming and going to the theatre. She also likes to take a walk through the forest or cycling on week-ends which is ideal to discover the region. Malcolm enjoys experimental music (he is drummer), films, theatre and art. He likes to paint, by the by, he has his own painting room and did some paintings which are in the house.

THE SPOTTER'S OPINION

Debbie & Malcolm live in Kettering which is 1 hour far from London by train. Birmingham airport is the closest

airport from where they live but the drive is quite long to pick up a Tripster to the airport. For this reason Tripsters who would like to go on Trip&Chat with these Chatters have to be aware that Debbie can only pick them up at the Kettering's train station. The family has three rooms available with different size. The smallest one has a bunk bed, a dressing table and a hanging rail. The second one is really bright with a single bed, a dressing table as well and a laptop bed table. The 3rd and biggest room has a double bed, a night table, a chest of drawers. These three rooms allow a Tripster to go on Trip & Chat with friends or cousins for example. Two bathrooms are accessible for Tripsters. The Chatters usually wake up at 7am and go to sleep around 10pm and choose their working hours. Debbie would be happy to share with his/her Tripster different activities she enjoys. During summer she would enjoy going on a bike ride , having a cup of tea in a nice place where they make homemade cooking and then picking up strawberries/ raspberries for example. This host family would also like to show them one of the largest skatepark of UK or even bring them to Wickstead park. Wickstead park is a massive place where you can go for a picnic and find a lot of attraction (archery, paddle, indoor rock climbing, events,...)..
