

# Welcome to John & Karima's

## FAMILY DESCRIPTION

We enjoy having guests in our home. We love meeting new people and having a great time.

## THE SPOTTER'S OPINION

Karima and John already have a significant hosting experience. They would be happy to share some time with the Tripster and to take him out. They have a National trust membership and enjoy all sort of activities (roller-skate, music, walks, movies and cartoons, foot, cinema, badminton, board games...). They usually wake up at around 7 am and go to bed at around 11 pm. Their house is 5 min away from Solihull's city center and 20 min away from Birmingham's city center. With a bike, it is also less than 10 min away from the countryside. There is no doubt they will be an amazing host family!

## A LITTLE MESSAGE FROM THE CHATTERS

Our household is composed of John, Karima and our son Ryan aged 7. We have been hosting children and young adults for the last two years because enjoy meeting new people from different cultures and parts of the world. We are here to enable a great UK experience and share a slice of the stunning laid back English culture.

We love exploring the rich English cultural heritage. On our free time with our son, we enjoy going for walks, playing football, going roller-skating and skate boarding, playing board games. We enjoy climbing, bowling, shopping and making the most of the great local country side and Birmingham city that are both easily accessible from home.
